Action Items from Last Time
Senior Review Planning
Overall Schedule
Guidelines
What's important this time?
Science Topics to Highlight | Stone
Roelof
Mewaldt
Stone |
| 1230 | Group Picture | |
| 1235 | Lunch | |
| 1:20 | More Discussion of Science Section
Technical Section
Instrument status
New Level-2 and Level-3 Products
Writing Assignments
Deadlines
Bibliography | |
| 4:00 | Adjourn | |
| 4:20 | Ten Years of ACE - Parson's Auditorium | |
| 5:20 | Reception - Howard County Rooms | |
| 6:00 | Dinner - Howard County Rooms | |

Note: Please allow 30 minutes for checking in when you first arrive at MP3

**ACE Team Meeting
Tuesday, October 23, 2007
7707 Montpelier Rd, Montpelier Building #3
Conference Room MP3-E183
JHU/APL, Laurel MD**

830 ACE Science Center Report Flight Operations Report Remarks from Headquarters ACE/STEREO/Wind/Ulysses Workshop Ulysses Heliospheric Workshop Other Meetings - workshops Future Workshops? Outreach Report Schedule Next Meeting	Davis Sodano Christian/Holmes Mewaldt Stone? Roelof? Barbier
1010 Break	
1030 <u>Science Topics (~15 minutes each)</u> SWICS Data - Successes and Issues The Energy Spectra of Suprathermal Tails Roll-over of Suprathermal Power-law Tails Observed on ACE The Distribution of Slow Solar Wind in the Global Heliosphere CME/CIR Survey CIR Composition Low Energy Extension of Oxygen Charge State Measurements with SEPICA O ⁺ Transport Across the Polar Cap.	Zurbuchen Mewaldt Gloeckler Zurbuchen Skoug Mason Guo Elliott
1230 Lunch	
1315 Classes of EPAM Beam-like Solar Electron Events 1) Statistical correlations with CMEs and Solar EM Emissions 2) Implications for Acceleration and Injection of near-relativistic particles A Tale of two SEP Events: The December '06 Events The OB-Association Scenario for the Origin of Galactic Cosmic Rays Solar Modulation of Anomalous and Galactic Cosmic Rays Evolution of the Energy Spectra of ACR He & O at 1 AU during 2004-2007	Roelof and Haggerty Roelof and Haggerty Cohen Binns Leske & Wiedenbeck Cummings
1455 Review of Action Items	Mewaldt
~1500 Adjourn
